- 1) The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is that the cited prior art does not show a method for continuous cooking of wood chips to make a cellulose pulp, the method having the steps recited inclusive of **providing an openable shunt line extending between a first withdrawal position and a second withdrawal position of a digester, and opening the shunt line upon a differential pressure between the second withdrawal position and the first withdrawal position falling below a first predetermined threshold value or rising above a second predetermined threshold value (claim 1).**

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

- 2) Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Halpern whose telephone no. is 571-272-1190.
